MEMORANDUM FOR SEE DISTRIBUTION

*

SUBJECT: Interim Change to TRADOC Regulation (TR) 350-18, The Army School System

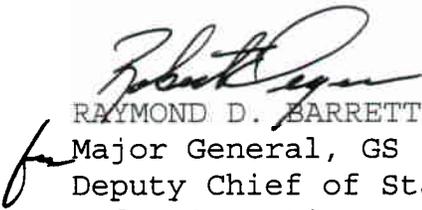

1. Reference TR 350-18, The Army School System.
2. The purpose of this memorandum is to provide changes to TR 350-18 concerning test control, physical fitness/weight control, and accreditation.
3. Listed below are the changes to the specified paragraphs.
 - a. Change paragraph 3-11, Test control procedures, to read, "See TRADOC memorandum dated 6 October 2001, subject, Test Policy and Procedures Memorandum and Enclosures."
 - b. Change paragraph 3-44, Accreditation, to read, "See TRADOC memorandum, ATTG-CD, subject, TRADOC Accreditation of Initial Military Training, Reclassification Training, Institutional Leader Development and Combat Training Center Programs. The Army School System (TASS) Training Battalions will be evaluated for accreditation in a single training year at both IDT and AT/ADT, as applicable IAW tables 3-1 through 3-4. **Note:** OCONUS TASS multifunctional brigades/regiments and all TASS NCO academies are functionally aligned with USASMA for accreditation. USASMA assembles a composite evaluation team of Subject Matter Experts (SMEs) who can evaluate courses taught at these training sites at the optimum time, reducing training distraction caused by multiple accreditation visits. Teams will consist of combat arms, combat support, combat service support, and others as appropriate. Each team will appoint window will be scheduled for accreditation directly with the appropriate proponent school. A copy of all assistance/accreditation reports will be provided to USASMA."
